

CHAPTER 48: WASTE DISPOSAL

ARTICLE 1 - GENERAL PROVISIONS

§ 48.1 Title

This Chapter shall be known and may be cited as the "Waste Disposal Law of the Town of Camillus, New York".

§ 48.2 Declaration of policy

The Town Board of the Town of Camillus recognizes that the quality of our environment is fundamental to the residents of the Town of Camillus. It is hereby declared to be the policy of the Town of Camillus to conserve, improve and protect the environment in order to enhance the health, safety and welfare of the people of the town. The Town Board has further determined that landfills and dumps present significant and continuing hazards to the environment and to the health, safety and welfare of the residents of the Town of Camillus. These hazards are caused not only by the possibilities of odor, vermin, fire and water pollution but also as a result of traffic congestion and heavy vehicular traffic in the vicinity of refuse disposal areas. It is also the policy of the Town of Camillus to encourage and promote recycling of all solid waste in order to preserve and protect our dwindling natural resources.
